

# Arcos

## Dual Banner Stand

888.221.7226 or www.SCANTopia.com

With a slight outward curve the unique Arcos banner stand will draw attention to your visual messages at a very affordable price. Arcos stands feature unique arched support pieces that hold your banner in place providing a professional look. The curved construction adds to the stability of the display. Arcos is sleek, lightweight yet sturdy. The Arcos banner stand can be setup in just a few minutes and is ideal for retail displays, trade shows, presentations, and other display applications. Setup and take down is a snap. Simply attach your banner to the Plastic Channel Strips and insert it in the arched support pieces. The stand can be adjusted vertically from 60" to 88" to match your specific needs and comes with a nylon carrying case. This fantastic banner stand offers the addition of a twin display increasing greater message versatility. Create double the impact, catch them coming and going!
